Economics 317 – Poverty and Inequality (2011 – Present)

Economics 234 - The Wealth and Poverty of Nations (2004-2011, 2019 - present)

Economics 334 - Economic History of Modern Europe (2005-2015)

Economics 313 - Economics of Marxism (2000-2001)

Graduate Student Teaching:

1998-2000

Teaching Assistant:

Department of Economics, University of British Columbia (1998-2000)

Economic History of Modern Europe

Economic History of Canada

2001 – 2002

Teaching Assistant:

Nuffield College, University of Oxford (2001-2002)

Quantitative Methods in Economic History

2003 - 2004

Lecturer:

Department of Economics and Department of Modern History,
University of Oxford

Economic Approaches to History (2003-2004)

- Applied Economics course for graduate students in History

Economics for Non-Economists (2004)

- Introductory Economics for graduate students in History

Curriculum Development:

Approved 2017

Economics 364 The Economics of Sustainable Development: Community, Markets and Technology. Undergraduate economics course integrating International Service Learning pedagogy with theoretical and methodological content. Offered as Directed Readings course (Econ 492a/ c) since 2013 until Senate approval.

2011 – Present

Integrating Indigenous Perspectives in Economics

2019 – Present

In-Class Workshop *Acknowledging Place: The Land Acknowledgement and Positionality* (Economics 234 and 336).

Teaching and Learning Resource Development:

- 2016 **Production of a CBEL Community Based Experiential Learning Program Manual** with Gaëlle Simard Duplain (PhD student Research and Teaching Assistant). A resource for students partnering with a community organisation as part of their coursework. The twenty page document included assignment guidelines, reporting templates, among other resources.
- 2015 **'How to Read Scholarly Sources in Economics,'** a one page resource highlighting the key components of scholarly articles published in academic journals related to the discipline of Economics. Complements in-depth analysis of scholarly literature and sources in Economic courses.
- 2015 – Present **Conceptual Rubrics** – connecting economic theory to considerations of Indigenous terminology and ways of knowing, sustainable development and community based experiential learning
- 2011 – Present **Development of reflective writing resources and lecture content**
- 2011 – Present **Development of peer and community partner review documentation** for CBEL program
- 2004 – Present **Development of course content, reading materials, assignments** for seven distinct economics courses
- 2006 – Present **Development of group discussion resources and prompts**, both in-class and online
- 2004- Present **Development of research, essay and report writing guidelines and resources**

Course-based Field Trips:

- 2012 – Present **Fort Langley Historic Site** - Economics 336 (Economic History of Canada)
- 2013 – Present **Gulf of Georgia Cannery** - Economics 339 (Economics of Technological Change)
- 2018 – 2020 **Vancouver Transfer Station** – Economics 364B (Economics of Sustainable Development)
- 2014 **Musqueam Indian Reserve** – Economics 335 (Fertility, Families and Human Migration and Economics) 317 Poverty and Inequality)
- 2010 **UBC Learning Exchange and Vancouver's Downtown Eastside** – Economics 234 (Wealth and Poverty of Nations)

Community Based Experiential Learning Initiatives and Activities:

- 2011 – Present **Development of Community Based Research and Learning Program** in several Economics courses (Economics 317, 335, 364A, 490). Ongoing partnerships with local and regional community organizations. Recent expansion to Economics 490 (Applied Methods in Economics).
- 2013 – Present **Collaborative development of an International Service Learning course** in Economics with staff from UBC's Centre for Community Engaged Learning (now the *Office of Regional and International Community Engagement*) involving

community partnerships in Bolivia, Costa Rica, India, Mexico, Kenya, Rwanda, Uganda and Swaziland; site visits; on-campus seminar sessions; integrating community based experiential learning and research opportunities locally, post-placement student presentations at community engagement event.

2013 – 2018

Faculty of Arts, Arts Research Abroad Program Donor Appreciation Event.

Joined with other faculty, students and staff to thank the donors for their anonymous support of the Arts Research Abroad program. Supported student presentations and poster sessions, discussions about the program with the donors.

2013 – 2017

City of Vancouver, Hubbub event. Economics students who partner with City staff as part of the CBEL program join in a one day event involving dialogue, design, and networking with other students around projects, ideas and big questions about how best to plan for the future in Vancouver. Students share the projects and ideas they have worked on during the term in friendly competition for the best ideas.

December, 2016

City of Vancouver, Dinner with the Mayor at City Studio, celebrating Economics 317 student's first prize awarded by the for their project undertaken in partnership with the City's Corporate Zero Waste Coordinator, Paul Gagnon. The project was developed in a course-based CBEL program. The students' project was chosen for the prize by all of the other students, faculty, City staff, and others attending the City Studio Hubbub event at City Hall in April, 2016. Students were able to meet and talk with the Mayor, City Manager and City Councilors over dinner at the City Studio site.

October, 2015

Co-Coordinator: Doing Development Differently: A Symposium on International Development, Vancouver, B.C. (Community-based International Service Learning conference in collaboration with the B.C. Council for International Cooperation, Sauder Business School and Vancouver School of Economics. Keynote speaker, Stephen Lewis.

October, 2015

Presenter and Workshop Co-facilitator: UBC Learning Exchange: New on Learning in the Downtown Eastside. Conference Advisory Committee Session.

2015 – 2016

Member of cross faculty and stakeholder collaboration aimed at reversing the decision to cancel UBC's International Service Learning program. Organized meeting with senior administrators, faculty and community partners (by video link from Kenya, Uganda and Bolivia) as a result of a campaign spearheaded through the initiative of an undergraduate student involved in the program. . The initiative was successful, with the program being continued under the auspices of the Faculty of Arts and the establishment of the Office of Regional and International Community Engagement (ORICE).

2011-2013, 2015,
2018, 2020,
2021 (online)

Homelessness Panel Discussions and "Teach-ins" involving speakers with lived experience of homelessness – held in Economics 317 and 335 classes. Facilitated by Jennifer Hales, Planner, City of Vancouver

2014

Invited Presentation at the UBC Learning Exchange Faculty Open House to celebrate its 15th Anniversary. Joint presentation with student (Katja Gerhardt) who had participated in a CBEL program at the Learning Exchange through one of my courses.

2012 **Collaboration with Dr. Lisa Sundstrom (Political Science)** initiated as part of a CBEL partnership with the B.C. Council for International Cooperation with two our courses: Economics 317 – “Poverty and Inequality” and Poli 464A - “Global Civil Society and NGOs in International Politics”.
